

Green, Green Grass of Home
Johnny Cash

G G7 C G
The old hometown looks the same as I step down from the train
G D
And there to meet me is my Mama and my Papa
G G7
Down the road I look and there runs Mary
C Am
Hair of gold and lips like cherries
G D7 G
Its good to touch the green green grass of home

The old house is still standing though the paint is cracked and dry
And theres that old oak tree that I used to play on
Down the lae I walk with my sweet Mary
Hair of gold and lips like cherries
Its good to touch the green green grass of home

G G7
Yes they'll all come to see me
C
Arms reaching smiling sweetly
G D7 G
Its good to touch the green green grass of home

Then I awake and look around me to the cold gray walls that surround me
And then I realize I was only dreaming
For there's a guard and a sad old padre
Arm in arm I walk at daybreak
Again Ill touch the green green grass of home

G G7
Yes they'll all come to see me
C
In the shade of the old oak tree
G D7 C G
As they lay me 'neath the green green grass of home
